## 2022-23 USA Hockey/ACHA Registry

The USA Hockey Registry can only be used by an ACHA team. The hockey season is underway and Registry/Admin users begin claiming players/coaches, creating and approving rosters. Important information on the USA Hockey/ACHA Registry can be found on the right side of the home page. This includes the Registry & Registration User Guides, Creating & Submitting Rosters and Report information.

Safe Sport Regulations – Safe Sport Training is required for all coaches in the ACHA. Safe Sport is required every year.

National Background Screening - All ACHA coaches will need to screen through the USA Hockey screening process. If you did screen in 2020-21 season this will still be valid until 2022-23 season. Screening is valid for two seasons. To start a background screen as well as additional information and FAQ go to: <https://www.usahockey.com/backgroundscreen>

**REMINDER:** Please be sure everyone has 2021-22 confirmation numbers: the fourth digit will be a 2.

Please select how you would like to import your member list.

**Note:** Please use single characters for member types (coach = C, player = P, Manager = M, Volunteer = V). If member type doesn't match it will default to player (Example: If "coach" is used instead of "C" the member type will default to player). Online confirmation numbers are 9 digits and 5 letters. For the 20-21 season, the 4th digit will always be a 1. System works best when claiming 500 max members at one time
