John,

Thank you for your interest in being a part of USA Hockey. As I know Pat Kelleher mentioned in your discussion at Congress, we hope that you can still find a pathway forward to remain registered with USA Hockey within the ACHA.

USA Hockey will not develop or approve a separate unique registration system for the CHF to register their participants and teams with USA Hockey. The system and process we have created in partnership with the ACHA has been developed over the course of a 20+ year relationship.

The appropriate way for your programs to become sanctioned by USA Hockey is by having individual players, coaches and officials register through the official USA Hockey Online Membership Registration system, and teams to register through the appropriate affiliate according to the applicable affiliate's rules, regulations and fees.

USA Hockey affiliate contact information along with the USA Hockey Annual Guide can be found online at www.usahockey.com If you have further questions on this, please contact me directly.

Thank you,

A handwritten signature in black ink, appearing to read "Ashley Bevan".
